☐ **GENERAL FUND**

Donations to the General Fund are unrestricted, meaning that the Wardens may direct that the funds be used for the purposes they deem most appropriate. For example, normal operating expenditures such as stipends to our Clergy and Music Director, marina expenses, utilities, Sunday School expenses, repairs to our buildings, and small capital improvements are supported by these donations.

☐ **MEMORIAL FUND**

Donations to the Memorial Fund are typically made in memory of individuals who have passed away. These funds are restricted, meaning that the Wardens may use them only for special projects, and with appropriate recognition. These funds are kept in a separate account from the General Funds that are used for operating purposes.
