

YOUR WEDDING AT ST. PETER'S ON-THE-ROCK CHURCH

STONY LAKE

St. Peter's on-the-Rock Church has been a very special place for hundreds of Stony Lake cottagers over many generations. The Christian Sacraments are celebrated here, as are other significant events in our lake community.

Constructed in 1914, the historic buildings and facilities of St. Peter's on-the-Rock are lovingly cared for and maintained by the members of our parish alone. It is our hope that you, and your families and friends, will benefit from your association with this wonderful community of St. Peter's.

St. Peter's is an 'affirming congregation', meaning that we choose to be inclusive, and we welcome all who pass through our doors, regardless of religious affiliation. We also welcome LGBT couples who may wish to marry at our beautiful island Church.

Guidelines for Weddings at St. Peter's

1. St. Peter's is on an island, accessible only by boat. We are a summer church, and weddings may be held during July and August.
2. One member of the couple (or one member of either of their immediate families) must be a member of the St. Peter's community. Alternatively, a couple may be sponsored by a member of the St. Peter's community. [*Member of the St. Peter's community* is defined as a cottage resident from Stony, Upper Stony or Clear Lake who worships regularly at St. Peter's].
3. The officiating Priest for your wedding is the Priest in residence at St. Peter's. The Priest is paid a fee for his or her services. With the consent of our Priest, another Priest may participate in the

service, provided this Priest is ordained in his/her respective denomination and is licensed to officiate at a Christian marriage in the Province of Ontario.

4. Our Director of Music is available to provide music. A digital pipe organ, electronic piano and sound system are available in the Church. The Director of Music is paid a fee for her services, to be negotiated depending on music choices, accompaniment of soloists and rehearsal requirements.
5. Our Sexton will ensure that the Church grounds, building and washroom are clean and tidy for your wedding. The Sexton is paid a stipend for his or her services.
6. There are no facilities for a reception on the island, although photographs may be taken. There is a single, unisex washroom available for the wedding party and guests.
7. Flowers and decorations are the responsibility of the wedding party. Nothing may be tacked onto or fastened to the Church building or furniture, and all decorations and flowers must be removed following the wedding celebration.
8. The Island has ample docking facilities.
9. Smoking is not permitted on the island. Confetti or rice are also not permitted. The Clergy Cottage is a private residence and is not available for use. There is no Wi-Fi in the Church or on the island.
10. It is the couple's responsibility to obtain their marriage license.
11. All couples must complete and sign an application form and a waiver/indemnity agreement (both attached) and pay the applicable rental fee to reserve their wedding date.
